

BILOTTA

KITCHEN & HOME

BILOTTA KITCHENS PRESENTS:

SUSTAINABILITY & CABINETRY

COURSE DESCRIPTION

Our goal is to enable architects and designers to guide their clients in selecting a facility and product that promotes sustainability.

We will identify eco-friendly options for cabinet boxes, doors, adhesives, finishes, packaging, and shipping.

How does the combination of “sustainably produced” and “eco-friendly” promote client safety, and well-being.

LEARNING OBJECTIVES

Material & Finish Selection:

Understand how the options available in cabinet making determine our environmental impact.

Client Health & Safety:

Understand how these same options promote our clients well being.

Sustainable Production Facility:

Learn how a sustainably-conscious production facility can have zero waste at the end of each day.

This course offers 1 HSW/LU credit and is currently being offered virtually. For more information, or to sign up for a course, please email ceu@bilotta.com.
