BILOTTA CARE & MAINTENANCE

Bilotta provides professional care and maintenance for your cabinetry. All types of cabinetry finishes can be addressed including paint, stain, laminate or metal. Bilotta Care & Maintenance will provide thorough exterior cleaning and application of protective coatings as needed. This may include wax or polish as applicable for durable protection and restoration of luster.

Cleaning & Adjustment Program:

- All exterior surfaces will be damp wiped with warm, soapy water to remove any grease, dirt, marks, etc.
- Painted surfaces will receive a protective wax finish, hand polished to either matte or its original sheen.
- Wood surfaces will receive a protective coating and buffed out.
- Doors and drawers will be aligned.
- Hardware will be cleaned.

Pricing:

- Based on an 8' ceiling height, \$40/ln ft. (10% more for every 1' increase in cabinet height).
- Island or base cabinets only, \$30/ln ft.

Additional Pricing:

- Stainless Appliances: Exterior surfaces can be thoroughly cleaned and polished at the rate of \$75/appliance.
- Touch-ups: Standard detailing can repair most scratches, dings, marks, etc. at the rate of \$85/hr.
- Caulking: Crown moldings can be re-caulked at the ceiling at the rate of \$20/ln ft.
